My flow so tight and the beats so sick
my flow so tight and the beats so sick
my flow so tight and the beats so sick
chris brown should get his a** kicked
chris brown should get his a** kicked kicked kicked
my flow so tight and the beats so sick
Chris Brown should get his a** kicked

A** kicked [5x]

My flow so tight and the beats so sick
chris brown should get his a** kicked
Boy hits girl, boy should be taken down
No matter who's around
The more I search yo the more I found
That there's a curse to this last name Brown
Dude can dance, hey yo dude gets loose
Dude should come clean and tell the truth
All the money in the world but it's no excuse
Career suicide yo here's the noose [2x]

[Repeat from top]
