We were strangers,  
starting out on a journey  
Never dreaming  
what we'd have to go through  
Now here we are,  
and I'm suddenly standing,  
at the beginning with you

No one told me  
I was going to find you,  
Unexpected  
what you did to my heart,

When I lost hope  
you were there to remind me  
this is the start

And life is a road  
and I wanna to keep going  
love is a river  
I wanna keep flowing  
life is a road  
now and forever  
wonderful journey

I'll be there when the world stops turning  
I'll be there when the storm is through  
in the end I wanna be standing  
at the beginning with you

We were strangers  
on a crazy adventure

Never dreaming  
how our dreams would come true

Now here we stand unafraid of the future  
At the beginning with you

And life is a road  
and I wanna to keep going

love is a river  
I wanna keep flowing  
life is a road  
now and forever  
wonderful journey

I knew there was somebody somewhere  
that made love in the dark  
Now I know my dream will live on  
I've been waiting so long  
Nothings gonna tear us apart

And life is a road  
and I wanna to keep going  
love is a river  
I wanna keep flowing  
life is a road  
now and forever  
wonderful journey

Life is a road and I wanna keep going  
Love is a river I wanna keep going on  
Starting out on a journey

Life is a road and I wanna keep going  
Love is a river I wanna keep flowing  
In the end I wanna be standing  
at the beginning with you
