HELLO!

why is no one out there
we'll have two feet in the doorway
for the rest over our lives

THE WORLD!

the world is so much bigger
and messed up much more easy
with one step into our lives
the kids
so easily counted out
are they now counted for the ones
who took a risk

we'll make
we'll prove'm wrong by doin so
wont take this
become the ones they used to know
hardly ever lost and found
celebrities of the underground

GOOD BYE!

good thing no ones in here
the step into reality
black eyes and broken arms

FOR!

for the ones who take it easy
the work left unworked on
and left for the ones who didntt care
the kids
so easily counted as
the ones always to screw up
are they now counted for the ones
who took a risk

we'll make it
we'll prove'm wrong by doin so
wont take this
become the ones they used to know
hardly ever lost and found

celebrities of the underground

we'll make it
we'll prove'm wrong by doin so
wont take this
become the ones they used to know
hardly ever lost and found
celebrities of the underground
