1 to the world, Mister bank here, bitch

Hook:

I put money over bitches nigga yeah MOB
And them hoes only fuck with you, get to me yeah
I'll probably lead to club with at least 2 or 3
And say you're bout that life with the knife we gonna
see you
And she down for whatever, your girl down for
whatever
I say she down for whatever,
If the shoe fit you could be my ghetto Cinderella

If they come the high I'm livin my nigga I can't complain
I put money over bitches like I'm puttin the rain
Yeah you whine any dime and I ain't even got the smell
yeah
Soon as I drop off you pick up all everywhere
Just in case you're getting no let me get you the run
down
I'm freeze becoming all at night, right after sun down
I'm on the PIMP shit yeah you should try,
If they hope wanna get high and I'm like
Where you should buy,
Make em show I didn't keep em
He was statch the tour, going down the road you do it
At least... almost make me for no lame,
I'm in a different category
I let her know the deal end of the story
Try that bullshit on somebody else when I will meet
though
Way too much pride line she'll be pride like a leyo
When you get some pussy it's automatic feel
But for me she gonna do it for the free dough I keep it

[Hook:]

Shorty left a nigga back at home with the keys you,
chuck you
We ain't time square, vacation on this time shells
Side from my name, really all I got is game

I tell her hoe to lead the same way that she came
Hope her actions don't reflect the way she feel bout her
man
Left the hotel room this morning with the heels in her
hand
They say numbers don't lie, we're high to come about
When every day this bitches get the wrong number out
Yeah I'm iceberg coolin with a blunt inside my mouth
Studio is in the crib I spend the money inside my out
If you think I'm out here trickin off to spinnin no sir
You let the women drive you crazy like a trunk so firm

[Hook:]
