Mister Magic saves the day  
Doctor Evil runs away  
All of the people are so grateful to you  
Although they never show it

He, Mister Magic, you're a hero now  
And if we ever need you again  
Don't call us, we'll call you  
Our good friend

'Cause Mister Magic always can save the day  
And in your mind  
You're like a super-hero  
Just up and fly away

But when you come back down and face reality  
Insanity...

Mister Magic saves the day  
Doctor Evil runs away  
Bye, bye  
This hospital room is dark and gray  
Till Mister Magic saves the day
