The road is dark, I'm getting sad  
The way is dead and I'm afraid  
Need someone to hold me, need something to hold on  
Want someone to guard me before I'm movin' on

The end is now so far away  
I hope I'm not meant here forever to stay

There's no one beside, I got nothing to say  
Land is so wide and my home so far away  
Oh, I'm feeling so lost, feeling sad like a child  
I'm away

There's no one beside, I got nothing to say  
Land is so wide and my home so far away  
Oh, I'm feeling so lost, feeling sad like a child  
I'm away on my own

I can't believe it's real, I'll run but I hold still  
Your voice is in the air, I can hear my name  
I feel you in my arms, you slowly slip away  
So here I am again, on my own

There's no one beside, I got nothing to say  
Land is so wide and my home so far away  
Oh, I'm feeling so lost, feeling sad like a child  
I'm away on my own, on my own
