I'm not a murder, I'm gonna tell you what I want
tonight

Are you the only one? Are you the only one I want
tonight?

I can take your hand if you wanna go slow tonight
Let us find our way, to our hearts aligned

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?
I, I, I, don't understand the reasons why
We have to go out!
When the lights go...

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?

You got me moving now, the way your body moves left
to right
Got me so confused
I love the way you make me feel, Whoa
I can take your hand if you wanna go slow tonight
Let us find our way, to our hearts aligned

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?
I, I, I, don't understand the reasons why
We have to go out!
When the lights go!

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?

The stars are aligned and the sun is arise shining
through your face
I'm raising my voice cause I have no choice
But to erase
The feelings I would waste
When the lights go!

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?

I, I, I, donâ€™t understand the reasons why
We have to go out!
When the lights go!

When the lights go out, am I gonna find you tonight?
When the lights go out, am I gonna love you tonight?
