Sometimes it feels like, Iâ€™m gonna break
Sometimes this world, gives more than I can take
Sometimes, sunshine gets lost in the rain
And it keeps pouring down
It just keeps coming down.
This life would kill me If I didnâ€™t have you
I couldnâ€™t live without you baby
I wouldnâ€™t want to
If you didnâ€™t love me so much
Iâ€™d never make it through
â€™Cuz this life would kill me
This life would kill me if I didnâ€™t have you.
You are my heart, every breath I breathe
Iâ€™m safe in your arms, you rescue me.
When Iâ€™m weak, youâ€™re strong
If you were gone I donâ€™t know where Iâ€™d be
You were made for me
(You were made for me)
This life would kill me If I didnâ€™t have you
I couldnâ€™t live without you baby
I wouldnâ€™t want to
If you didnâ€™t love me so much
Iâ€™d never make it through
â€™Cuz this life would kill me
This life would kill me if I didnâ€™t have you
If you didnâ€™t love me so much
(If you didnâ€™t love me so much)
This Life would kill me If I didnâ€™t have you
(This life would kill me)
Couldnâ€™t live without you baby
I wouldnâ€™t want to
If you didnâ€™t love me so much
Iâ€™d never make it through
â€™Cuz This life would kill me
This Life would kill me if I didnâ€™t have you
