Everyday, I'm gonna love you come what may
'Cause I know that there is nothing that means more to
a woman
Than a love that she can count on, yeah

Darling dear, yeah, wherever when you need me, I'll be
here
'Cause I know that there is nothing that means more to
a woman
Yeah, than a love that she can count on
Oh, repeat after me now

I remember one day it did come to me, yeah
(I remember one day it did come to me)
The guy next door has money you see
(The guy next door has money you see)
Oh, you know he buys his woman everything, yeah
(He buys his woman everything)

Oh, he buys her cars and clothes and diamond rings
(Cars and clothes and diamond rings)
And although she accepts the things he buys
(Though she accepts the things he buys)
What she really wants is his love sometimes
(Really wants his love sometime)

So, baby I want for you to see, yeah
(Baby I want for you to see)
Oh, that you can always count on me

Yeah, count on me to comfort you, yeah
(Comfort you)
When you start to feeling sad and blue
(Sad and blue)

'Cause I know that there is nothing that means more to
a woman
Yeah, I'm here to tell ya, than a love that she can count
on
(Nothing that means more to a woman)

Oh, ask any woman about it, yeah

(Nothing that means more to a woman)
Yeah, tell you they can't do without it

I know that you know how precious this girl is
(Nothing that means more to a woman)
And you know that I know my darling that there is
(Nothing that means more to a woman)

Oh, not in the whole wide world
(Nothing that means more to a woman)
You gotta love that girl
(Nothing that means more to a woman)
I know, I know, I know, I know
(Nothing that means more to a woman)
