Turn the lights down low, baby, come close
Put your hand in mine, oh, please be kind
Let me touch your heart, let the fire start

Ooh, so warm, so warm

Soft music plays, please sit down and stay
Put your trust in me, let this love be
This is for real, let time stand still

Ooh, so warm, so warm
Turn the lights down low, baby, come close
Ooh, so warm, so warm
So warm, so warm

Ooh, turn the lights down low, baby come close
Let dreams come true for me and you
We won't regret, we won't forget

Ooh, so warm, so warm, yeah yeah
So warm, so warm
So warm

Turn the lights down low, baby, come close
Turn the lights down low, baby, come close
Turn the lights down low, baby, come close
