Nothing so blue as a heart in pain  
Nothing so sad as a tear in vain  
Let him walk on out if he wants to  
He really doesn't deserve you  
His loss is our gain so don't be blue

'Cause stone blind and out of his mind  
Is what he has to be, yeah  
So baby, straighten up, come on and fly right  
It's no catastrophe, yeah  
And say now baby, baby don't cry

Baby, baby don't cry  
Baby, baby here's why  
Love is here standing by  
Love is here standing by

Too bad, it was him that you trusted  
Too bad but you can't be disgusted  
It's time that you got readjusted  
And realized that tear filled eyes  
Can't stop him now

That man is on his way  
I think he's gone to stay  
You better drop him now, yeah

Oowee now, baby, baby don't cry  
Baby, baby, don't cry, baby, baby, here's why  
Because love is here standing by  
Love is here standing by

You trusted him and gave him your love  
A love he proved unworthy of  
Oh baby, oh baby, all you've got to do  
Is dry your eyes long enough to see

That you have found the love you thought  
You had in him here in me  
Love is hope, girl, love is strength  
Here's someone standing right beside you  
Who would go to any length

To give you love, true and deep  
And hope you realize at last  
You found a love that you can keep  
And only losers weep, so standing by you  
Tears aren't shed in vain, I said so
