Now you say every time you need some affection  
The one you love goes in another direction  
And you just sit there in a daze reminiscing  
When you know some other lips he's been kissing

Now when you need the love he's never shown  
You come round here  
And when you need some loving arms to hold  
You come round here

Now I may not be the one you want  
Oh, but I know I'm the one you need  
Said, "I may not be the one you want  
Ooh, but I know I'm the one you need"

Your life stands still the minute he goes  
You count the hours just hoping he shows  
Girl, can't you see while you're longing for his touch  
That I'm the one who loves you so much  
While you're longing for his embrace  
You're all alone there with tears on your face

Now when you feel the need to cry to someone  
Cry to me  
And when you feel the need to lean on someone  
Lean on me

Now I may not be the one you want  
But I sure 'nuff the one you need  
Oh baby, I may not be the one you want  
Ooh, but I know I'm the one you need

Now the days, the days you sit alone by yourself  
He's out fooling round with somebody else  
Leaving you alone here with nothing to do  
Just waiting 'till he has time for you

Now when the loneliness gets hard to bear  
Girl come round here  
And when you need a little tender loving care  
Girl come round here

Now I may not be the one you want  
But I know I'm the one you need
