You make me feel just like
I'm the luckiest man to ever live
'Cause all the love one man
Could possibly get, honey you gave

In your voice, soft and low
There's a little something
That let's me know

If you took your heart
And made it mine
I would be true
Till the end of time

Oh yeah, doggone right
Doggone right

You brighten up baby
Each and every day that I have to face
And if the sun don't shine
Your smile is there to take its place

Smooth and warm tender touch
Letting me know that it means so much
To be loved by somebody who
Is just as much in love with you

Oh yeah, doggone right
Doggone right
Said you're doggone right
Doggone right

Oh, doggone right
Doggone right
Oh you're doggone right

When I am sad
You take the time to be concerned
It makes a man feel so good
To know that his love is being returned

Eenie meenie minie mo

Love is a guessing game I know
Sometimes you win, sometimes you lose
But I've got to win 'cause it's you that I choose

I choose
Doggone right
Doggone right
Said you're doggone right, oh baby
Doggone right

If you think I'm gonna stay
Let nobody take my love away
And your doggone right
