I'm just a love machine and I won't work for nobody but
you

I'm just a love machine, a hugging kissing fiend

I think, it's high time you knew
Whenever I think of you, my mind blows a fuse
When I look in your eyes
My meter starts to rise and I become confused

My motor cranked, electric goes
When I'm sitting next to you
Electricity starts to flow
And my indicator starts to glow

I'm just a love machine and I won't work for nobody but
you

I'm just a love machine, a hugging kissing fiend

La la la
La la la

I'm just a love machine and I won't work for nobody but
you

I'm just a love machine, a hugging kissing fiend

I'm gentle as a lamb, I'm not that hard to program
There's no way that you can lose
Chassis fits like a glove, I've got a button for love
That you have got to use

If you look into my power
I am sure you can find out how
To turn me on just set my dial
And let me love you for a little while ooh

I'm just a love machine and I won't work for nobody but
you

I'm just a love machine, a hugging kissing fiend

La la la
La la la
Push it, push it baby, ah ah

I'm just a love machine and I won't work for nobody but
you

I'm just a love machine, a hugging kissing fiend

I'm just a love machine, I won't have to wait for
anybody but you

I'm just a love machine, a hugging kissing fiend

Love makin', earth quakin', soul shakin', love machine

I won't have to wait for anybody but you

Love makin', earth quakin', soul shakin', love machine

I won't have to wait for anybody but you

Love makin', earth quakin', soul shakin', love machine

I won't have to wait for anybody but you

Love makin', earth quakin', soul shakin', love machine

I won't have to wait for anybody but you
