Oh, yeah

(I, I)  
I'm just a love machine  
And I won't work for nobody but you  
(I, I)  
I'm just a love machine  
A hugging, kissing fiend

I think it's high time you knew  
Whenever I think of you  
My mind blows a fuse  
When I look in your eyes  
My meter starts to rise  
And I become confused

My motor cranked electric goes  
When I'm sitting next to you  
Electricity starts to flow  
And my indicator starts to glow

(I, I)  
I'm just a love machine  
And I won't work for nobody but you  
(I, I)  
I'm just a love machine  
A hugging, kissing fiend

I'm gentle as a lamb  
I'm not that hard to program  
There's no way that you can lose  
Chassis fits like a glove  
I've got a button for love  
That you've got to use  
(Push it, push it, baby)

If you look into my power  
I am sure you can find out how  
To turn me on just set my dial  
And let me love you for a little while, ooh

(I, I)

I'm just a love machine  
And I won't work for nobody but you  
(I, I)  
I'm just a love machine  
A hugging, kissing fiend

La, la la la la, la la la la, la la  
La la la la la, la la la, la la laa  
Push it, push it, baby, yeah, ah, ah

(I, I)  
I'm just a love machine  
And I won't work for nobody but you  
(I, I)  
I'm just a love machine  
A hugging, kissing fiend
