Let it be soon, don't hesitate
Make it now, don't wait
Open your heart and let my love come in
I want the moment to start
When I can fill your heart with

More love, more joy
Than age or time could ever destroy
My love will be so sound
It would take about 100 lifetimes
To live it down, wear it down, tear it down

This is no fiction, this is no act
This is real, it's a fact
I'll always belong only to you
Each day I'll be living to
Make sure I'm giving you

More love, more joy
Than age or time could ever destroy
Oh honey, now my love will be so sound
It would take about 100 lifetimes
To live it down, wear it down, tear it down

As we grow older, no need to fear
When you need me I'll be here
I'll be beside you every step of the way
A heart that's truthful
And keeping you youthful with

More love, more joy
Than age or time could ever destroy
Oh honey, now my love will be so sound
It would take about 100 lifetimes
To live it down, wear it down, tear it down

Gonna give you more love, more joy
Than any age or time could ever destroy
Oh baby, now my love will be so sound
