You take sugar and spice, everything nice
And you got a little girl, yeah, yeah
You take snakes and snails
Some puppy dog tails and you got a little boy, yeah,
yeah

That's what love is made of
That's what love is made of

Snakes, snails, puppy dog tails
Sugar, spice, everything nice
Yeah, yeah, all right
Something else you do

You take a walk by the sea, two hearts on a tree
And you got a little gladness, yeah, yeah
And when two eyes cry, two hearts say goodbye
And you got a little sadness, yeah, yeah

That's what love is made of
That's what love is made of

Hearts say goodbye, eyes start to cry
Heart on a tree, walk by the sea
Snakes, snails, puppy dog tails
Sugar, spice, everything nice
Yeah, yeah all right, one more thing

You take a cruel word spoken, pride gets broken
And you got a little break-up, yeah, yeah
You take a little bit of soul, sweet words being told
And you got a little make-up, yeah, yeah

That's what love is made of
That's what love is made of

Words being told with a little bit of soul
Pride gets broken, cruel words spoken
Hearts say goodbye, eyes start to cry
Heart on a tree, walk by the sea
Snakes, snails, puppy dog tails
Sugar, spice, everything nice

Yeah, yeah all right, everybody sing
Yeah, yeah all right, yeah, yeah all right
