My eyes used to be brown  
The brownest in town  
With a little hint of green  
I'm sure you've seen  
But now my eyes have changed now that I've met you  
To put it into words, my eyes are Goo-Goo  
I've got Goo-Goo eyes  
When I'm sighing sighs  
My knees get weak and I'm paralyzed  
I've got Goo-Goo eyes, not even a drop of blue  
These two have gone Goo-Goo and they're all for you  
You make me smile from cheek to cheek  
I get the Goo-Goo eyes and I can hardly speak  
Goo-Goo eyes, can't speak I just hush  
Goo-Goo eyes, red cheeks when I blush  
I've gone Goo-Goo in the left, Goo-Goo in the right  
I see X's and O's when you come into sight  
Goo-Goo in the right, Goo-Goo in the left  
You've stolen my heart in a pleasant theft  
L, I, Z, Z, and Y  
You've given me a case of The Goo-Goo Eye
