I donÂ't know why IÂ'm doing here I donÂ't why our love couldnÂ't... It seems essentially this play in my head again.

lÂ'm tryinÂ' to... here, Love can fall so... with dancer It seems the same she is flowinÂ' in my veins again.

And we both know the sacred flame Will be blow hearts by the first...

I really try to trust them all I really try to... in their eye It seems that... singing we cannot... again and again.

So I let you... Trying to find the wrong... to f*cking hard It seems the... in my mind again.

And we both know the sacred flame Will be blow out by the first...

You gotta not trust me, you gotta not call me, Just the cause, I donÂ't really look at me I donÂ't really donÂ't... You gotta..., you gotta... WeÂ're all one
