So you caught a glimpse of someone you once knew,  
And it seem to find it hard to face the truth,  
Oh, but that don't make it right,  
To be wantin' me tonight,  
When your thoughts on love keep changing all the time.  
Well we both knew that there'd be things we'd have to  
face,  
But is it true that I can never take his place,  
Oh but I can't read your mind,  
For the things you hope to find  
When your thoughts on love keep changing all the time.  
Now Heaven knows I tried just everything I knew,  
But it seems there ain't no getting through to you,  
Guess I've played out every line,  
Still you can't make up your mind,  
'Cos your thoughts on love are changing all the time.  
'Guess I've played out every line,  
Still you can't make up your mind,  
When your thoughts on love keep changing all the time
