

Smokie "Hungry Heart"

Got a wife and kids in baltimore, jack
I went out for a ride and i never went back
Like a river that don't know where it's flowing
I took a wrong turn and i just kept going

(chorus)

Everybody's got a hungry heart
Everybody's got a hungry heart
Lay down your money and you play your part
Everybody's got a hungry heart

I met her in a kingstown bar
We fell in love i knew it had to end
We took what we had and we ripped it apart
Now here i am down in kingstone again

(chorus)

Everybody needs a place to rest
Everybody wants to have a home
Don't make no difference what nobody says
Ain't nobody like to be alone

(chorus)
