Juanita came last night and she cried over and over  
Uuh Daddy I love you  
you know and I think it's the moonlight.  
She looked so fine well she looked allright and she  
moaned

Oh Daddy move over

Oh baby you know what i like and I think it's the  
moonlight.  
Made in Mexico  
schooled in France  
Oh-la lovin' she neede no teachin'  
Oh Man I can say international ways I believe in.

Mexican girl don't leave me alone

I got a heart as big as a stone  
And I need you believe me to be here and love me  
tonight.  
Mexican Girl I want you to stay  
You know my heart is longing to say  
That as long as I live will always remember the once  
that I called  
My mexican girl.-  
Her skin was soft as the velvet sky and her hair  
It shone in the moonlight.  
And as the music did play well the night turned to day  
And I held her tight.  
The she looked at me with her dark brown eyes and  
she  
whispered "Hasta La Vista!"  
Well I don't know what that means but it sounded  
So good so I kissed her.

Mexican girl don't leave me alone...

Mexican girl don't leave me alone

I got a heart as big as a stone  
And I need you to believe me to be here and love me  
tonight.

Mexican Girl I want you to stay  
You know my heart is longing to say  
That as long as I live will always remember the one that  
I called  
My mexican girl.-
