Looking from a window above  
It's like a story of love  
Can you hear me  
Came back only yesterday  
I'm moving further away  
Want you near me

All i needed was the love you gave  
All i needed for another day  
And all i ever knew  
Only you

Sometimes when i think of her name  
When it's only a game  
And i need you  
Listen to the words that you say  
It's getting harder to stay  
When i see you

All i needed was the love you gave  
All i needed for another day  
And all i ever knew  
Only you

This is going to take a long time  
And i wonder what's mine  
Can't take no more  
Wonder if you'll understand  
It's just the touch of your hand  
Behind a closed door

All i needed was the love you gave  
All i needed for another day  
And all i ever knew  
Only you
