Come on everybody  
It feels like Sunday morning in here  
Oooh...

Whenever I think of all that he's done for me  
How he came from heaven and he gave me the victory  
He's been so good to me, I just can't thank him enough  
When I think of his goodness I just wanna to praise him

If I had ten thousand tongues, I still couldn't tell it all  
Everytime I stumble, he's there to break my fall  
He's made a way for me, opened doors I couldn't see  
When I think of his goodness, I just wanna praise him

Oh...  
(He's been a constant help)  
He's been a constant help  
(That's been a constant friend)  
A constant friend, is he  
(He guides my every step)  
He guides every one of my footsteps  
And yes he'll step right in

If you don't believe all that he's done for me  
Just look at my praise and you'll be able to see  
Don't know how you can sit there  
I gotta express myself  
When I think of his goodness, I gotta praise him

Woe  
Now this is your final chance to give my God some  
glory  
You better stand on your feet and tell the world your  
story  
Clap your hands, do your dance, and chime Hallelujah  
When you think of his goodness, then you'll praise him

(He's been a constant help)  
He's been a constant help  
(That's been a constant friend)  
A very present help in him in a time of need

(He guides my every step)  
He guides every one of my footsteps  
And yes he steps right in

Yeah, yeah!  
I wonder, I wonder  
Is there anybody here who'll help me give God praise  
I will bless the Lord at all times  
His praises shall continually be in my mouth  
Ah Come on and praise him

(Praise him)  
Praise him  
(Praise him)  
Praise him  
(Praise him)  
It makes me wanna (makes me wanna)  
When I think of his goodness (Praise him)  
And all that he's done (Praise him)  
How he brought me out (Praise him)  
Oh It makes me Wanna (Makes me wanna)  
Praise him for his goodness (Praise him)  
Praise him for his mighty acts (Praise Him)  
Praise him in the sanctuary (Praise him)  
All day long (Makes me wanna)

Don't know about you (I want to praise him)  
But this is what I wanna do (I want to praise him)  
I wanna praise him (I want to praise him)  
Oh it makes me wanna (Makes me wanna)  
I want to praise him (I want to praise him)  
For all that he's done for me (I want to praise him)  
For all that he's brought me through (I want to praise  
him)  
(Makes me wanna)  
I got to praise him (I've got to praise him)  
I've gotta praise him (I've got to praise him)  
It makes me wanna (I've got to praise him)  
I've got to praise him (I've got to praise him)  
Come rising of the sun (I've got to praise him)  
To the going down of the same (I've got to praise him)

Tell me, what you know about Jesus  
(He's alright)  
I said what you know about Jesus  
(He's alright)  
Woe, what you know about Jesus  
(He's alright)  
Tell me what you know about that man  
(He's alright)

You see, I don't know what you come to do  
(I don't know what you come to do)  
I don't know what you come to do  
(I don't know what you come to do)  
I don't know what you come to do  
(I don't know what you come to do)

Ooooooh  
Praise him!
