Remember the days I used to bring you roses  
Remember the ways I used to hold you close to me  
Now they're gone and I've lost my time  
Never more will you be mine  
Remember the days I used to send you flowers  
Remember the calls that used to last for hours  
Now they're gone so I take the fall  
Get my chance to take it all  
I, I really missed you  
I, I need to kiss you  
Please change your mind and find the time to call  
I, I feel so hazy  
You, you drive me crazy  
Please change your mind and we can have it all  
it wasn't so long ago you called me darling  
I was your blue eyed boy,  
you were my only toy  
Now they're gone and I've lost my time  
Never more will you be mine
