[DOA:]

Back atcha Once again
DOA got the track
And my man Smokie
He got the word Y'all

Somethin' somethin'

Yeah, Talkin somethin bout that man
Somethin somethin', somethin' somethin'
Smokie, kick that first first

[Smokie:] Somethin' that makes me move whenever
I'm next to you

[DOA:] Yeah

[Smokie:] Somethin' that makes me do that little dance
I do

[DOA:] Do the dance I do

[Smokie:] When I call your name, you come through
just the same

[DOA:] Sing it

[Smokie:] Tryin' to understand, there's somethin about
that man'

[Smokie:]

Can't put my finger on it
Can't quite comprehend
One thing I'm sure of
On him I can depend

[Chorus:]

Somethin' somethin' about that man
And how he holds the world all up in his hands
I can't understand, can't understand
Comprehend

There's somethin about that man
(Smokie, bring that back)

About that man, somethin' somethin
Sometimes, there's somethin' about that man
Somethin' Somethin'
(I like that)

Wonderful, marvelous, and awesome is your name
Jesus when you come around men can't act the same
Many have lied, many have tried,
But all of them eventually die
Then you come along and show 'em
Your little somethin' somethin'

Most of them immortalize Mohammed, even confess
Confucious
But Jesus is still the name, and there's somethin about
that man
Somethin' about that man, somethin about that man
And how he holds the world all up in his hands
I can't understand (Understand, understand)
(Smokie bring that back)

Somethin' somethin
Somethin' Somethin'
About my Jesus
Can't nobody do it like, do it like, do it like Jesus
(Somethin about that man, there's somethin about that
man
I can't understand)
Can't understand
Somethin' somethin'
Somethin' Somethin

[DOA:]
If anybody everybody feel the way I do
Can y'all get your praise on
If anybody everybody feel the way I do
Can y'all get your praise on

Smokie gonna make you lose your mind
Up in here, up in here
Smokie gonna make you get your praise
Up in here, Up in here

[Chorus]

Somethin' somethin'
Makes me do right when I would do wrong
Somethin' about that man
(Sing it)
Somethin' about that man
Somethin' Somethin'
A little somethin' somethin'
(That's right)

Ahhh yeah
