I've had sin  
And I've had pain  
My heart has been broken  
And my life has been strain  
But inspite of everything  
I've been through  
I've still gotta say thank you

I've been up  
And I've been down  
Had my life turned, turned, turned  
Completely around  
But inspite of everything  
I've been through  
I've still gotta say thank you

Thank you  
Thank you  
For your many blessings  
(For your blessings)  
Inspite of my mess  
(Inspite of my mess)  
Lord you looked down and you blessed me  
(For your blessings)  
Even in the midst of my test  
(In the midst of my test)  
Ooooooooooh  
(Inspite of everything)  
Inspite of everything  
(I've been through)  
I still  
(Gotta say thank you)  
Thank you Jesus  
Repeat  
Oh I wanna say,  
I just wanna say thank you Jesus  
(Thank you Lord)  
Ooooooh  
(Thank you)  
Thank you yeah  
Just wanna say thank you Jesus

(Thank you)  
Oh  
(I gotta say)  
I gotta say thank you yeah  
(Thank you)  
Oh for every little bity thing you've done in my life  
(Thank you)  
Oh for all the ways you've made for me  
(Thank you)  
For all the doors you open Lord  
(Thank you)  
I wanna say hey  
(I gotta say)  
Glory  
(Glory)  
Hallejuah  
(Hallejuah)  
For all you've done in my life  
(For all you've done in my life)  
Hey you've been Lord  
(You've been)  
You've been my protection  
(My protection)  
Ooooooh all of the way  
(All of the way)

I thank you Lord  
(I thank you Lord)  
Repeat (3 times)

(Inspite of everything I've been through)  
Oh thank you Jesus  
(I still gotta say)  
Gotta look to heaven and say  
Thank you  
Lord I thank you  
For every little bity thing you've done in my life  
I say thank you  
Oh just wanna thank you  
Um I must I must I must  
I shall say thank you  
Oh thank you  
Hey I thank you  
Just wanna say thank you
