Lord, I lift my hands
I extend myself to you
With your arms stretched out wide
You pay the price
You bled and died

(Lord I lift my hands)
I lift my hands
And I extend (I extend)
Myself to you (Myself to you)
Thank you Jesus
(With your arms stretched out wide)
Stretched out wide
You paid (You paid the price)
And for me
(You bled and died)

(Lord I lift my voice)
I lift my voice
(And I praise your holy name)
With your life (With your life)
(You saved my soul)
You saved my soul
(And with your power)
With you awesome power
You made me whole

Hey now

[Chorus:]
(Lord here I stand) Lord here I stand
I give my life back to you (I give my life back to you)
I give it back to you
You've been so good Lord
Yes you have
(You've been so good that it's the least that I could do)

Now everybody that loves God, give him thanks, give
him glory, give him praise
He deserves it, he's worthy
That's the least we can do for all of the wonderful

things that he's done for us
Come on and help us praise him

[Chorus]

Here I am Jesus
Take my hands
My mind, my body, my soul
(I give you my hands Lord)
Hey use them in your vinyard
(I give you my feet Lord)
Help me to walk in your holy ways
(Please take all of me Lord)
Take all of me, all of me Jesus, not just a part, but all of
me
(Please take all of me Lord)
Thank you Jesus
Take control
(I give you my heart Lord)
I give you my heart Lord
Help me to love like you love
(I give you my soul Lord)
You know it all belongs to you
(Please take control Lord)
Take complete control of me
Take control of my walk, take control of my thoughts
(Take control Lord)

It's not because of anything I have
Not for fortune or fame Lord
But I praise you because of who you Lord
(Please take all my praise Lord)
Your grace and your mercy Lord
(Because of your love Lord)
Because of your love Jesus
You've been so good
You've been better to me than I could have been to
myself
(You've been so good)
You've made a way out of no way

You've been so good
That it's the least that I
Could do
