When my back was against the wall, she called me
names,
When I was feeling small, she called me names,
Molly said she had to go, it don't seem right,
Just when I was feeling low,
we had to fight.

Don't you know, don't you now,
Don't you know, don't you know,
Gladly I would give a piece of mind
to live without her
Gladly I would give a piece of mind
to live without her.

When my sky was turning grey,
she'd bring me down,
Couldn't face another day, she'd bring me down,
Well many times she said she'd go, but she would stay,
I didn't really think that she would go away.

Don't you know, don't you now,
Don't you know, don't you know,
Gladly I would give a piece of mind
to live without her
Gladly I would give a piece of mind
to live without her.

When my confidence was low, she'd turn away,
Didn't know which way to go, she'd turn away.
