One hour and I'll be leaving you.
I know you're gonna make me blue.
My heart is trembling though and through,
'cause I know very well, I can tell,
I can tell this will be my last date with you.
Just can't believe that this could end.
I know I'll never love again.
You'll ask me to be just a friend.
It's as plain as can be.
I can see, I can see this will be my last date with you.

And when you say goodbye, I know I will cry,
'cause I'll know it's my last date with you.
I know you met somebody new.
You'll tell me you and I are through.
My plans and dreams cannot come true.
And when you say goodbye, I know I will cry,
'cause I'll know it's my last date with you.
