You can't tell me, that the stars won't come out at night
No, you can't tell me, that the sun will refuse to shine
There's nothing you can say or do, that will destroy my peace of mind
I've tried God for myself, and He's with me every time

You can't tell me that, that the doctors have the final say
No, you can't tell me, that the Lord won't make a way
There's nothing you can say or do, that will take away my faith
Ever since I tried the Lord, nothing can take His place

I know too much about Him
And there's nothing to make me doubt Him
Just as sure as I have life, oh, you can't change my mind
Oh, you can't tell me nothing, 'cause I know God for myself

You can't tell me that, that a baby doesn't cry
You can't tell me, that June isn't before July
There's nothing you can say or do that will change my reality
You see, ever since I tried the Lord, I know He's always with me

Oh, you can't tell me, that He won't step in and rescue me
You can't tell me, that He didn't die, just to set me free
Don't try convincing me, that God isn't everything I need
Oh, you see, He's faithful, when others are not
He's a surest friend I've got

I know too much about Him
Yeah, and there's nothing to make me doubt Him, oh
Just as sure as I have life, oh, no, you can't change my mind
He's come through every time

I know too much about Him
Oh, and there's nothing that'll make me doubt Him
You see, I've tried Him for myself, don't have to ask
anybody else
Oh, you can't tell me nothing, I know God for myself

He's proven Himself to be faithful unto me
If I'd never had any trials
Who knows, where I would be

Know too much about Him
(I know too much about Him)
Nothing to make me doubt Him
(And there's nothing that will make me doubt Him)

Just as sure as I have life, oh, nothing will ever change
my mind
Oh, He's come through every time, every time, every
time
(Every time, every time, every time)

I know too much about Him
(Nothing to make me doubt Him)
There's nothing that will ever make me doubt Him
Oh, no, God, You've been so good to me, yeah

Oh, I've tried God for myself, and I don't have to ask
anybody else
Oh, you can't, you can't tell me nothing
'Cause I know God, I know God for myself, yeah
He's been with me, yeah

Oh, when I didn't know how I would make it, God, you
were there
Lord, I didn't think I could take it
You were there, You were there, You were there
Ah, for myself
