Come on, everybody
It feels like Sunday morning in here

Whenever I think of all that He's done for me
How He came from heaven and He gave me the victory
He's been so good to me, I just can't thank Him enough
When I think of His goodness, I just wanna to praise
Him

If I had ten thousand tongues, I still couldn't tell it all
Everytime I stumble, He's there to break my fall
He's made a way for me, opened doors I couldn't see
When I think of His goodness, I just wanna praise Him

(He's been a constant help)
He's been a constant help
(That's been a constant friend)
A constant friend, is He
(He's got my every step)
He got every one of my footsteps
(And yes He'll step right in)

If you don't believe all that He's done for me
Just look at my praise and you'll be able to see
Don't know how you can sit there, I gotta express
myself
When I think of His goodness, I gotta praise Him

Now, this is your final chance to give my God some
glory
You better stand on your feet and tell the world your
story
Clap your hands, do your dance and chime, Hallelujah
When you think of His goodness, then you'll praise Him

(He's been a constant help)
He's been a constant help
(That's been a constant friend)
Took every breath in Him in a time of need
(He's got my every step)
He's got every one of my footsteps
(And yes, He steps right in)

Yeah, yeah, yeah, yeah, yeah
I wonder, I wonder, is there anybody here
Who'll help me give God praise
I will bless the Lord, at all times
His praises shall continually be in my mouth

Ah, come on and praise Him
(Praise Him)
Praise Him
(Praise Him)
Praise Him
(Praise Him)

It makes me wanna
(Makes me wanna)
When I think of His goodness
(Praise Him)

And all that He's done
(Praise Him)
How He brought me out
(Praise Him)

Oh, It makes me wanna
(Makes me wanna)
Praise Him for His goodness
(Praise Him)

Praise Him for His [Incomprehensible]
(Praise Him)
Praise Him in the sanctuary
(Praise Him)
All day long
(Makes me wanna)

Don't know about you
(I want to praise Him)
But this is what I wanna do
(I want to praise Him)

I wanna praise Him
(I want to praise Him)
Oh, it makes me wanna
(Makes me wanna)

I want to praise Him
(I want to praise Him)
For all that he's done for me
(I want to praise Him)

For all that he's brought me through
(I want to praise Him)
Yeah, yeah, yeah
(Makes me wanna)

I've got to praise Him
(I've got to praise Him)
I've gotta praise Him
(I've got to praise Him)

I've gotta praise Him
(I've got to praise Him)
It makes me wanna
(Makes me wanna)

I've got to praise Him
(I've got to praise Him)
Come rising up inside
(I've got to praise Him)

To the glory down of the same
(I've got to praise him)
Listen, listen
(Makes me wanna)

Tell me, what do you know about Jesus?
(He's alright)
I said, what do you know about Jesus?
(He's alright)

What do you know about Jesus?
(He's alright)
Tell me what do you know about that Man?
(He's alright)

You see, I don't know what you've come to do
(I don't know what you've come to do)
Oh, I don't know what you've come to do
(I don't know what you've come to do)

Oh, I don't know what you've come to do
(I don't know what you've come to do)
Oh, I don't know what you've come to do
(I don't know what you've come to do)
Oh, praise Him
