Don't take the hand of the man with the platform shoes  
Don't take a ride from the guy with the dancing tattoos  
Don't close your eyes when he whispers in your ear  
All of the words that you long to hear

[Chorus]

You've gotta run away

Deep in the cracks of the pavement they sleep all day  
Someday the rain's gonna wash 'em all away  
Don't ever think you've got no place else to go  
Don't ever think that the world stops at your window

[Chorus]

Don't take the hand of the man with the platform shoes  
Don't take a ride from the guy with the dancing tattoos  
Don't ever think that you've got no place to go  
Don't ever think that the world stops at your window

[Chorus]
