Ummmmm you been good  
If I never own a mansion  
Way out on the hills I'll never see riches Lord I'll serve  
you still  
If I lose all my possessions  
And my health begins to fail  
I can still say you've been good

If I wake up on tomorrow  
Found that all of my love ones are gone  
Look around and see that my friends are few  
I still keep holding on  
If I call and here's no answer  
In the midst of my despair  
I can still say Lord you been good

You been good oh yeah  
Good, umm good (choir)  
So as long as I live I'll tell the world God is good yeah  
oh  
Good, ummm good (choir)  
I'm so glad to say right now  
God is good (choir)

If I never visit Paris and enjoy that midday sun  
If I never sail the seven seas  
Before my work out where is done, oh  
If I never see the ruins  
Of that city that they call ancient Rome  
I'm not worried because I can still say God I know that  
you you been good  
Lord you been good  
Good, um good (choir)  
As long as long as long as I live I'm going to tell the  
world that God is good  
Lord you been good (choir)  
Good, umm good (choir)  
God is good

Good, umm good  
Lord you been good  
Good, umm good

So glad to say, God is  
So glad to say, God is  
So glad to say God is good

I'm glad to say you been good.  
Thank you
