Ohhhh yea

Uhhhhh

What kind of God can make the morsels of snow, fall
from a gray sky
What kind of God can weave the tapestry of a rainbow,
and sketch it into a we sky
Itâ€™s no wonder how he can do, every little thing he
does for me
If it hadnâ€™t been for you, where would I be?

What kind of God can give you a vision, and create a
skyscraper tall
What kind of God can use the pattern of color, and give
it a name like fall
Itâ€™s no wonder how he can do, every little thing he
does for me
If it hadnâ€™t been for you, where would I be?

Iâ€™d be at the bottom when you told me thereâ€™s a
place at the top for me
Iâ€™d be on the back side when you showed me
thereâ€™s a place in the front I should be
Iâ€™d be on the outside looking in when, youâ€™ve
prepared me a table for kings
If it hadnâ€™t been for you, where would I be?

What kind of God can take my fragile and wounded
heart, fill it with unconditional love
What kind of God can take away my guilt and shame,
and give me grace to rise above
Itâ€™s no wonder how he can do, every little thing he
does for me
If it hadnâ€™t been for you, where would I be?

Iâ€™d be at the bottom when you told me thereâ€™s a
place at the top for me
Iâ€™d be on the back side when you showed me
thereâ€™s a place in the front I should be
Iâ€™d be on the outside looking in, when youâ€™ve
prepared me a table for kings

If it hadnâ€™t been for you, where would I be? (Repeat
2x)

Just like a ship without a sail, without you
