Pictures of you
Slow down everyday
Slow down my life

Pictures of you
Slow down everyday
Slow down my life

I know you'll be here before I'm gone
I know you'll be here before I'm gone

Pictures of you
Speed up every heartbeat
Speed up my life

Pictures of you
Speed up every heartbeat
Speed up my life

I know you'll be here before I'm gone
I know you'll be here before I'm gone

Pictures of you
Slow down everyday
Slow down my life

Pictures of you
Speed up every heartbeat
Speed up my life

I know you'll be here before I'm gone
I know you'll be here before I'm gone

Speed up my life
Speed up my life
Speed up my life
