What if I was not afraid  
Of what anyone might say?  
And what if you stood with me  
Side by side, all the way?  
In our hearts do we believe  
That the truth will set us free?

Whoa, baby, there's a world out there  
Just waiting for you and me  
Let's see just how dangerous we can be?

What if all the stupid lies  
That have so defined our lives  
Suddenly lost the power  
To keep us down anymore  
Can we stand right up and say  
That the truth will start to reign?

Whoa, baby, there's a world out there  
Just waiting for you and me  
Let's see just how dangerous we can be  
Whoa, how dangerous  
How dangerous we can be, yeah

We'll stand like soldiers  
On enemy grounds  
We won't shut up  
And will never sit down  
We have to find out  
How dangerous we can be

Can we stand right up and say  
That the truth will start to reign?

Whoa, baby, there's a world out there  
Just waiting for you and me  
Let's see just how dangerous now  
Let's see just how dangerous  
Let's see just how dangerous we can be

How dangerous, how dangerous we can be

(How dangerous we can be, oh no, no, no)
