Just broke up with my girlfriend
Just broke up with my girlfriend

I let this thing get out of hand
She needs me more than I can stand
It didn't work out like I wanted

She started holdin' on to tight
So I let her go tonight
I've got no regrets at all

Just broke up with my girlfriend
Just broke up with my girlfriend

I thought I'd have some fun with her
For awhile there we were
Havin' so much fun

Until I realized once more
She's not the one, I'm looking for
Will I ever love again?

Just broke up with my girlfriend
Just broke up with my girlfriend

Just broke up with my girlfriend
Just broke up with my girlfriend

Just broke up with my girlfriend
Just broke up with my girlfriend
