The sky painted all in pastel
I'm pasted on the ground
World of rooms
All designed to keep you down

[Chorus]

One day
I'll fly away
And disappear behind the sky
The sky, the sky
The sky, the sky
Behind the sky

I've painted a round pinhole
I'm planted on the ground

World of arms
Each one trying to hold you down

[Chorus]

Goodbye

I don't wanna come back here
I don't wanna lose you again

The sky painted all in pastel
I'm pasted on the ground
World of rooms
All designed to keep you down

[Chorus]
