I'm inflamed with desire and its spreading like wildfire  
She doesn't know it but she'll soon be mine  
Its just a question of time  
Rubella

I'm insanely obsessed and I simply will not rest  
She doesn't know it yet but she's the one  
And I won't stop until I'm done  
Rubella

And the heart that she has stolen has swollen twice its  
natural size  
I've lost six pounds since I laid eyes on her

Rubella

I'm in love with a girl she's affected my whole world  
She doesn't know it but she's inside me  
And now I'm gone completely  
Rubella

She explodes like a fist and she burns from the first  
kiss  
I haven't told her but she's all mine now  
I knew some how I'd catch her  
Rubella, Rubella, Rubella *[repeat until end of song]*
