I'm writing a letter to my baby
My baby so far away
I'm writing a letter to my baby
And this is what it says:

"Ba da ba bop be dop bop ba da
be dop bop ba da be dop bop ba da"

I'm writing a letter to my baby
I'm sending it today
I'm writing a letter to my baby
And this is what it says:
"Ba da ba bop be dop bop ba da
be dop bop ba da be dop bop ba da"

I'm writing a love song to whomever
Tends to look my way
I'm writing a love song to whomever
And this is what it says:

"Ba da ba bop be dop bop ba da
be dop bop ba da be dop bop ba da"
