Intro

"There once was pirate named Gold Roger, who was the King of the Pirates.
He had fame, power and wealth beyond your wildest dreams.
Before they hung him from the gallows, these were the final words he said.
"My fortune is yours for the taking, but you'll have to find it first. I left everything I own in One Piece.
Ever since, pirates from all over the world set sail for the Grand Line searching for One Piece the treasure that will make their dreams come true."

Yo!

Dreamin', don't give it up Luffy.
Dreamin', don't give it up Zolo.
