So i'll lie awake, and ill stare at the tall magnesium
walls,
japanese lilies lie limp like a seller on a stall.
Is he still there, do you still care.

The Hilton hotel will refuge you,
couples that can't talk problems through,
shuffle to the dining room table for 2
and so starters are ordered
and you know that he'll pay
and you've already run out of things to say.

Such a lovely gesture, but I'll stress

It'll Take More Than A Weekend Away To Fix This Mess
More Than A Weekend Away To Fix This Mess
More Than A Weekend Away To Fix This Mess
More Than A Weekend Away

So i cant get to sleep, cause these pillows they aren't
mine,
and the mattress feels like its too good for my spine,

So what started as escape route for the 2 of us,
escalated into something that unjust such a lovely
gesture but died.

I must stress

It'll Take More Than A Weekend Away To Fix This Mess
More Than A Weekend Away To Fix This Mess
More Than A Weekend Away To Fix This Mess
More Than A Weekend Away
