You are the last of the ladies
You are the only one who can save me
You are, you are, you are

You are the one to grow old with
To live, to laugh, and to lie with
You are, you are, you are

Sometimes I may not see you for a week
Don't think of this as a burden
Just a grander hide and seek
And when you find me I'll be happy to be out
Your words are one thing I can't believe that I've ever
lived without

You are the last of the ladies
You are the only one who can save me
You are, you are, you are

You are the one to grow old with
To live, to laugh, and to lie with
You are, you are, you are

Sometimes is easy then it's not worth the reward
Like remembering the list of bands that I wrote on
the chalk board
I'm not saying you're New Order but I think you
know what I mean
And I'm into the way that you're into me
Like a scene from the silver screen

You are the last of the ladies
You are the one who can save me
You are, you are, you are
