The clouds are rollin' in
I lost myself I guess
I thought I saw a man with somethin' in his chest
I never been so wrong
Another fall will come
Another fall will come

I hated everything
From winter clear to spring
Couldn't look at myself
After what he did to me
But I keep holdin' on
Another fall will come
Another fall will come

CHORUS:

Why don't they tell it like it really is?
Nobody ever gets the movie kiss
And I know, I know this better than the movie scripts
When they go, yeah they go, yeah they go
And they don't come back in the pourin' rain
Just cause you needed them to save the day
And I know, I know we all just want a fantasy
But I don't, I don't, I don't

I'm in a crazy place
I'm sick of listening
When they're tellin' me
I should be listening
But I'll just shake it off
Another fall will come
Another fall will come

-Chorus-

Boy meets girl
Girl loves boy
But he'll leave her
She'll be destroyed

-Chorus-
