He's a whisper
And I'm an echo
I'm a helicopter
He's a pleasant meadow
I crash into

If I was a sailboat
Then he would be the ocean
Usin all that he had
To keep us in motion

I make it rain
On days meant for his parade
I make it rain
On days meant for his parade
Whoa ooh
Oh oh
Whoa ooh
Oh oh oh-oh
Whoa ohh

Now I only want you
Cause I told you it's over
You got a new one
She's a keeper-
I'm a let go, oh

I make it rain
On days meant for his parade
I make it rain
On days meant for his parade
Whoa ooh
Oh oh
Whoa ooh
Oh oh oh-oh
Whoa ohh

And God only knows
That you were my last straw
Of course I'm upset cause
Now I don't have no more

And God only knows
That you were my last straw
You were my last straw
My last straw
You were my last straw
My last straw
He's a whisper
And I'm an echo.
