Here's a little dance  
And goes like this  
It's over before it's done  
And the end is the pits

Shimmy  
Shake  
Shimmy shake  
Shimmy shake  
Shake shake shake shake

The music is so vain  
Twist to yer fix  
Bounce like a balloon  
Black and white mix

Pop  
Drop  
Do the flop  
Do the flop

Don't need a partner  
Your heart has the beat  
The point is clear  
Vision tunnel floor near

Can't catch yer breath  
Do it on the floor  
Music's still playing  
Dance some more

One more dance  
Time for the last song  
Like a fish outta water  
The music is gone
