How many MC's, out there peddling?  
How many MC's, out there peddling?  
How many MC's, out there peddling?  
How many MC's, out there peddling?

Look at shorty from the Shining, all grown up rhyming  
Still talking to my finger, but now it's through bitches  
stomach lining  
I'll be the Smut Ambassador, bend her over point the  
ass back at a  
Then I'll fucking laugh at her

Picture me giving a fuck, that's Polaroid cunt seven?  
Or Hot 97, with a yes-man brethren  
Starbuck's stuck, you stained with feces  
The only man who make roaches interchange species

I'm smacking DJ's for playing instrumentals for the  
wack mentals  
Spitting all over the mic rentals  
Bring all your dogs, my name is Cage Kennels  
Not [Incomprehensible]

At age 12, I spit my first rap out  
In the 80's on your block like the first crack house  
It's Eon cold-hearted, smoke a whole carton  
Decapitate my best friend if he's bogartin'

Quick to be like, peddling smut  
Quick to be like, peddling smut  
Quick to be like, peddling smut  
Quick to be like, peddling smut

What kind of shit are you peddling? P-p-porn, Smut  
Peddlers  
What kind of shit are you peddling? P-p-porn, Smut  
Peddlers  
What kind of shit are you peddling? P-p-porn, Smut  
Peddlers  
What kind of shit are you peddling? P-p-porn, Smut  
Peddlers again

You wanna talk this old school bullshit about the rules?  
Well, here's a rule you might remember  
I'm the motherfucking fucking one who calls the shots
