What the heck
What the heck
What the heck
Gotta needle in my neck

What the heck
What the heck
What the heck
I gotta needle in my neck

I gotta needle in my neck
I'm gonna register with a turkey baster
and a football needle in my jugular vein, right now.

What the heck
What the heck
what the heck
I gotta needle in my neck

What the heck
What the heck
what the heck
I gotta needle in my neck

I gotta needle in my neck
I'm gonna register with a turkey baster
and a football needle in my jugular vein, 'cause i got
nothin to lose.

I got thirteen pounds a mexican brown
this shit is the best in town, you wanna know how i know
that
this is the best....cause it puts my chin right smack on
my chest.

So give a little tug on my neck tie amigo,
cause ive got to get down.

And get some towels cause my drools gonna be
drippin
all over the ground.

What the heck
What the heck
what the heck
I gotta needle in my neck

What the heck
What the heck
what the heck
I gotta needle in my neck

I gotta needle in my neck
tie me off, with my neck tie.

I'm gonna register with a turkey baster
and a football needle in my jugular vein, right now
muther fucka.

What the heck
What the heck
what the heck
I gotta needle in my neck

What the heck
What the heck
what the heck
I gotta needle in my neck
