[Hook]

Well legend, legend, legend, legend
Legend and the ac, legend and the ac
Legend, legend, legend, legend
Legend and the ac, legend and the ac
Riding on my own, cruising like the down
Subwoofers on, clapping this song
Riding on my own, cruising like the down
Subwoofers on, clapping this song

Iâ€™m young Iâ€™m shooting hoes
The bad bitches said I was shootin
Inglewood it was the root of my youth
Too, that jesus saluting cadillacs, lexus, gs and acura
Legend coupe with the bosses,
To bumping dope rhythms and subwoofers bumpin
through
That neighborhood
You know that common sense that they donâ€™t teach in
school
Learned a different type blue color workers
And Iâ€™m farm they soul
There go nigga with a rollex chain
And a fresh cool jays had to keep it cool
And they packign things like they shooting on range
And Iâ€™m pursuing cash, whoa

Everything that roll me, have to get it
Might be bromy, might get drafted like assignment
Bitches flock into this shiny watch
On your wrist might get you some trim
But do no kiss
That dope boy aura was a weapon
In that acura legend,

[Hook]

Well legend, legend, legend, legend
Legend and the ac, legend and the ac
Legend, legend, legend, legend
Legend and the act, legend and the act
Riding on my own, cruising like the down

Subwoofers on, clapping this song
Riding on my own, cruising like the down
Subwoofers on, clapping this song

Frehs man hunter, 2 door couping
Swoopin up behind ya, buck it we be moving
Through traffic, fresh take it
The homies they be acting, they go grab it, they paper
And to be all mess my jacket...for that stilish life we
livin
32 engine, admission, ...leather seats for that sitting
At the beaches, with the bitches on the throne
They wanna be sittin, how we do it, it was written
Haters sicken cause they vixin
Mix saliva with this dick and
The police always trippin
...since we dippin, when the club let out we dippin
That your chick I see you coughing
Don't trip homie, it's nothing
That armoro got me stuntin
Don't be ride cause she wanna ride my

[Hook]

Well legend, legend, legend, legend
Legend and the ac, legend and the ac
Legend, legend, legend, legend
Legend and the act, legend and the act
Riding on my own, cruising like the down
Subwoofers on, clapping this song
Riding on my own, cruising like the down
Subwoofers on, clapping this song
